Dear [redacted]

On behalf of FBIS, I would like to extend a word of appreciation for your excellent work during your first year as a "Summer Only". You have made a valuable contribution to the Advanced Development Division. Your performance of a variety of administrative tasks and your willingness to help out in whatever capacity required are especially appreciated.

I hope you have found your experience here a rewarding one, and I would like to join your co-workers in wishing you success in the coming year.

Sincerely,
